

Company Prep

This program is for aspiring dancers who all carry the same level of passion and love for dance. Our Company Prep program is only offered to dancers who tried out for the dance company and show promise of making it into the All About Dance Company. We are so thrilled that so many new dancers took the jump and tried out to be a part of our great All About Dance Company community. We know that it is a big commitment and are excited to watch you grow into a seasoned company member. If you made it into the Company Prep it means that we want you to learn a couple more fundamentals before entering into company. We are doing this to make sure that you have the best experience as possible. Many of you have been taking a couple classes here at All About Dance and while you are doing wonderful there are many different techniques that we want to make sure you understand so you will feel confident and comfortable in class. We will also be able to have more 1 on 1 time to spend with you to make sure you understand your tondus, pirouettes, grand battmas, degages, pivot turns and tourjettes...all words that will be a big part of your vocabulary in the months to come! As a Company Prep member you will take all forms of dance and perform all 4-5 routines in the show at the end of the year! By participating in the Company Prep program it will show us that you have the drive and commitment to be a qualified company member! We are so excited to have you all and hope that you will be a part of this great experience!!!
